The Football Season

By SAM GWYNNE

MR. ARTHUR W. SAGER
Coach

A team which has seven lettermen returning usually considers itself fortunate. But the coaches fielded a very light and inexperienced team for our opening game at Groton, September 29th, and we were beaten, 20 to 0.

The Groton eleven, big, fast, and aggressive and with one game already played, outclassed the Governors only in team coordination. For the visitors, newcomer Tom Oliver played stellar ball. Dick Walsh played well on the defense, as did Edgar Cartwright, who earned a first team berth by his line play. In spite of this defeat, there was real promise in the team's play.

At Middlesex on October 6th, the Governors won 20 to 7, and Frank DuGrenier broke a three-year conversion jinx by kicking two extra points. Oliver again excelled in the backfield, his touchdown in the first period following a beautiful broken-field run. A new threat appeared in Jack Dowse, who broke loose for a

thirty-yard romp and a touchdown; and late in the game Dick Walsh intercepted a pass and ran twenty-five yards for the final score.

In the first home game, on October 13th, the Governors were downed, 9 to 6, by a much bigger and heavier Kimball Union team. For the first half of the game we held the favored opponents to a scoreless tie; and in the third period Pete Sutton gave us a 6 to 0 lead by a wide end sweep. Then, late in the final quarter on a blocked punt, the visitors scored a safety, and then drove down the field for a touchdown. Their conversion left the final score 9 to 6. Weight had shown its decisive advantage in this thrilling game.

On October 20th Milton won, 15 to 6, on Morse field. The visitors used a most deceptive passing attack, a tactic which beat the Governors. The game was extremely close and exciting for the first half, due to running offense by both teams. Then in the third period Milton overcame our six point lead and went on to win. Ed Cartwright, Hal Kingsland and Orm Aldred were outstanding on our team.

In perhaps the best game of the year, Fullback Ormic Aldred crossed the goal

line in the closing minutes of play to give the Governors an 18 to 13 victory over Thayer Academy on October 27th. At half time the score stood 12 to 0 in favor of the Red and White through touchdowns by Walsh and Aldred. But in the third period Thayer came back determined to regain those twelve points. They scored twice and made one conversion, for a total of 13 to 12. Then in the last quarter the Governors fought down to the twenty-five, whence Aldred drove over. Others who shone for the winners were Frank DuGrenier and Captain Maxson.

On November 3rd, at Providence, Moses Brown beat the Governors 13 to 7. Moses Brown's star back was the deciding factor in this game, as he scored both touchdowns. For us, Joe Sadowski was the mainstay of the line, and he converted after Walsh's touchdown.

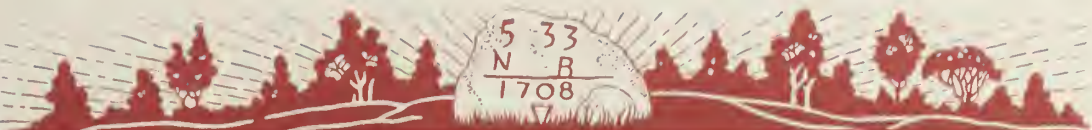

Playing the last game of the season, the Red and White trimmed a favored Tabor team, 18 to 7. The hero of the game was Dick Walsh, who made all three touchdowns. Tabor played without its talented captain, Perry, a loss severely felt by them. For three periods the winners held the ball in opponent's territory; but in the last quarter Tabor scored. In this game the whole team did a grand job, with Captain Maxson sparking the line. Bill Page, Paul Gaudin, Ed MacHarrie, Tom Oliver, and Pete Sutton were all outstanding. The season ended on a most happy note.

At the Christmas dinner, Head Coach Sager remarked on the fine spirit of willingness and coöperation that was shown by the squad during the whole season. He also announced the award of the Football Trophy this year to Ormston Aldred as being the player who contributed most to the team by ability and spirit. Next year's captain will be Pete Sutton, of Buffalo, a letterman for the past two years.

The Soccer Season

By CHARLES McLAUGHLIN

MR. HOWARD J. NAVINS
Coach

The 1945 soccer season began with a team with five lettermen coming back from last year; Ellsworth, Morgan, Curtis, Ortega and Vaughn. The team built about this group, during its first practices began to show excellent passing ability and ball control.

The team traveled to Exeter to play in its first game one of the season's strongest teams, one which had beaten the Governors for the past eight years. The Red and White eleven played one of their best games, the halfbacks, Lyons, Morgan, and Ellsworth, excelling. The team failed to take the advantage of a 0-0 tie and were defeated by an accidental goal scored by one of our own players. The Exeter coach felt that the Governors deserved to win the game.

The next game played was with Andover. The whole team played well, but again lost by an aggravating 0-1.

At Belmont High School the Red and White controlled the play much of

the game but went down in defeat to the score of 2-1 through lack of scoring punch.

The game against Milton was tied 1-1. Captain Ortega, the scorer, was outstanding with his shots at the goal, and Ash Eames merited praise for his excellent passes to the center and his shots at the goal from the wing.

The game at Watertown High School revealed an improvement in scoring power. Ortega made two points from the center and Eames scored a spectacular shot from the wing. This score, 3-1, was our first soccer victory since November, 1943.

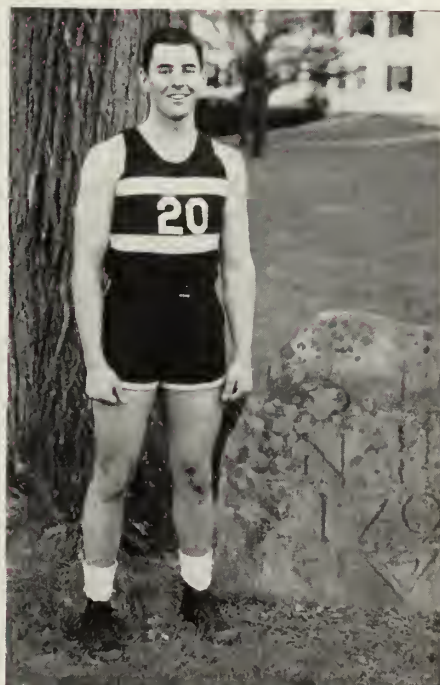

The team traveled to Marion to win its second game, 3-0, against Tabor, with the halfbacks again starring and Ortega scoring the points.

The last game was against Medford High School, according to Mr. Navins the best schoolboy soccer team in this region. We lost in spite of spectacular playing by the fullbacks, Heyl, Lautz, and by the goalie Freeman, who deserves much credit.

At the Christmas dinner it was announced that John Morgan had been chosen Captain for 1946.

The Hockey Season

By CHARLIE STEVENS

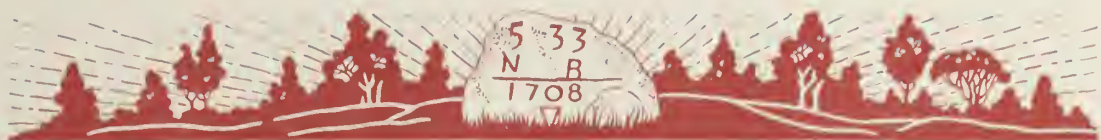

MR. ATHOL MACD. MURPHY
Coach

Despite the efforts of Mother Nature to prevent the hockey squad from playing this year, the team managed to get in eight of the fifteen games scheduled. Thus, on the whole, this was a very successful season when one considers that very few practices were possible because of weather conditions. Seven lettermen, H. Sutton, P. Sutton, Hall, Eames, Aldred, Dennett, and McCusker, were returning this year; so Captain Aldred had an excellent group to work with.

The Red and White lost their first game to a strong Middlesex team, 2-1. Bill Bailey started the scoring by landing one in the cage after a set-up by Pete Sutton. Middlesex scored in the next two periods; and even though the team did lose, they showed very promising potentiality. In the next game, they upset Gloucester on the new Whipple Field rink, 12-0. Browne and Nichols proved to be a tougher club to beat; but with Aldred and McCusker

scoring, the Governors pulled off a victory, 2-1. On January 23, they defeated Brooks 4-2 with Hall, Eames, McCusker, and "Scoop" Sutton accounting for the tallies. Unsatisfied to rest on these laurels, the club went on to beat Dover High. Even though Coach Murphy and Captain Aldred were unable to be there, the team ran the score up to 5-0 by the end of the game. The Red and White tied their next game to Belmont Hill, 2-2. In a two-minute overtime, Aldred and Eames were the two goal-getters for the Governors. Noble and Greenough proved to be the superior team against the scoring of Eames and McCusker, and the final score stood 4-3 against us. The next game was played under the lights at Harvard, against the Harvard "B" team. Even though the entire team tried their best to win, they dropped the game 7-3 after a thrilling evening of hockey. The last game at Hanover against a magnificent team from Kimball Union we lost, 9-0.

The whole team played outstanding hockey during the season, and under the excellent guidance of Coach Murphy and Captain Aldred they showed great progress. With the return of a great many lettermen next year, it is hoped that the team will be able to turn out an even more successful season.

The Basketball Season

By SAM GWYNNE

MR. HOWARD J. NAVINS
Coach

Sparked throughout the season by Captain Dick Walsh and by Tom Oliver, the basketball team had a comparatively successful season. The starting five usually consisted of Walsh at center, Bob Deering and Jack Kimball at the forward positions, with Fritz Freeman and Tom Oliver guarding the back court. Freshman Deering was one of the best ball-handlers on the team and also one of the most dependable shots. Kimball was probably the most deceptive floor-man on the court, besides accounting for a good portion of the team's scoring. Freeman was the Red and White's set shot swisher who could usually be counted on to play a good game. Tom Oliver was, in the opinion of many authorities who saw the Governors perform, the backbone of the team. Hitting his highest stride in the Harvard game, Tom played great ball all season. His control of the backboards prevented many opposing rebounds from going in. Walsh was

elected captain of the team during the first week of practice and throughout the season proved his capability. His inspiring leadership and fine team play carried the team through many distressing moments, and his agility underneath the basket was responsible for a great many points.

The season opened at home when the Governors won 60-25 from Rockport High School. The opponents were quite inexperienced, and in the second half the Governors scored thirty-five points. Walsh and Oliver each got eleven points to pace the scoring. One of the most thrilling games of the season was the Ipswich game, in which Manning High School tipped the Governors 48-47 in an overtime. Walsh was sensational for the home team in this game. The Milton contest was an evenly matched, well-played game with the Red and White winning 42-35 against a taller and more experienced club. Paced by Oliver, the Red and White made a fine showing and were in the ball game up to the closing whistle. For the second consecutive year, Winchester nosed us out by scoring a last-minute basket. The score was 53-55. The St. Mark's game ended the season for a grand team.

The Wrestling Season

By ED MAXSON

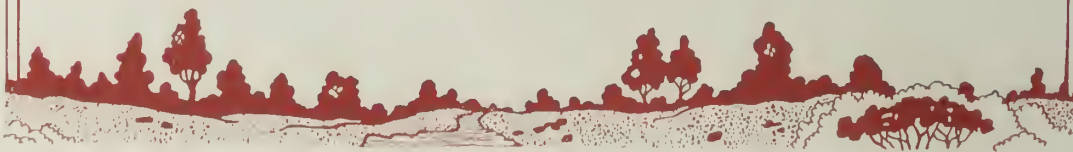

In view of the fact that only two returning letter-men were able to wrestle, and that co-captain Bill Page enlisted in the Marines before the season got under way, the wrestlers of 1946, under the able and faithful coaching of Mr. McKnight, fought through a season which, in spite of defeats, can properly be called successful.

With only three weeks' preparation, the team encountered a very aggressive and able Roxbury Latin team. The Governors, due to their greenness, but certainly not to any lack of fight, were unable to win a bout, and lost the match 33-0. The following week the matmen met a very polished and experienced team from Milton Academy, and lost this bout also through inexperience. The score stood 33-3, with Captain Ortega winning the Governors' only points.

Recovering from the Milton match, the Governors, now more experienced and able, wrestled Phillips Academy at Andover. There Captain Ortega won a decision and Joe Sadowski won his match,—our only scores, the total 23-8 against us. In their next contest the Governors really proved their mettle by nearly upsetting Exeter. Here Ortega again won by decision, while Gaudin and Sadowski also scored. The match ended at 20-13 for Exeter.

After demonstrating their improvement in the Exeter match, the wrestlers took on a very scrappy and experienced Tabor Academy team. Although many bouts were closely contested, we were again on the low side of the score, 18-12. The season was finished up with a triumph over St. Mark's, to the tune of 31 to 21. This match was very close in many bouts, but for the first time the Red and White really showed definite superiority. Our points were scored thus: Marshall Jones, Bill Silver, Ed Maxson, Plato Kangis and Joe Sadowski won by falls, while Al Cummings and Gorton Baldwin won by decisions.

Although it is true that the season of 1946 saw the Governors victorious but once, while they lost five matches, yet this record fails to indicate the great advances made by many raw wrestlers; nor does it suggest the expert coaching and leadership of Mr. McKnight, who is entirely responsible for the team's fine spirit as well as for its most gratifying progress in the sport. And so, our hats are off to the team and to its coach for the fine record made against many odds.

The Ski Team

By MR. SOULE

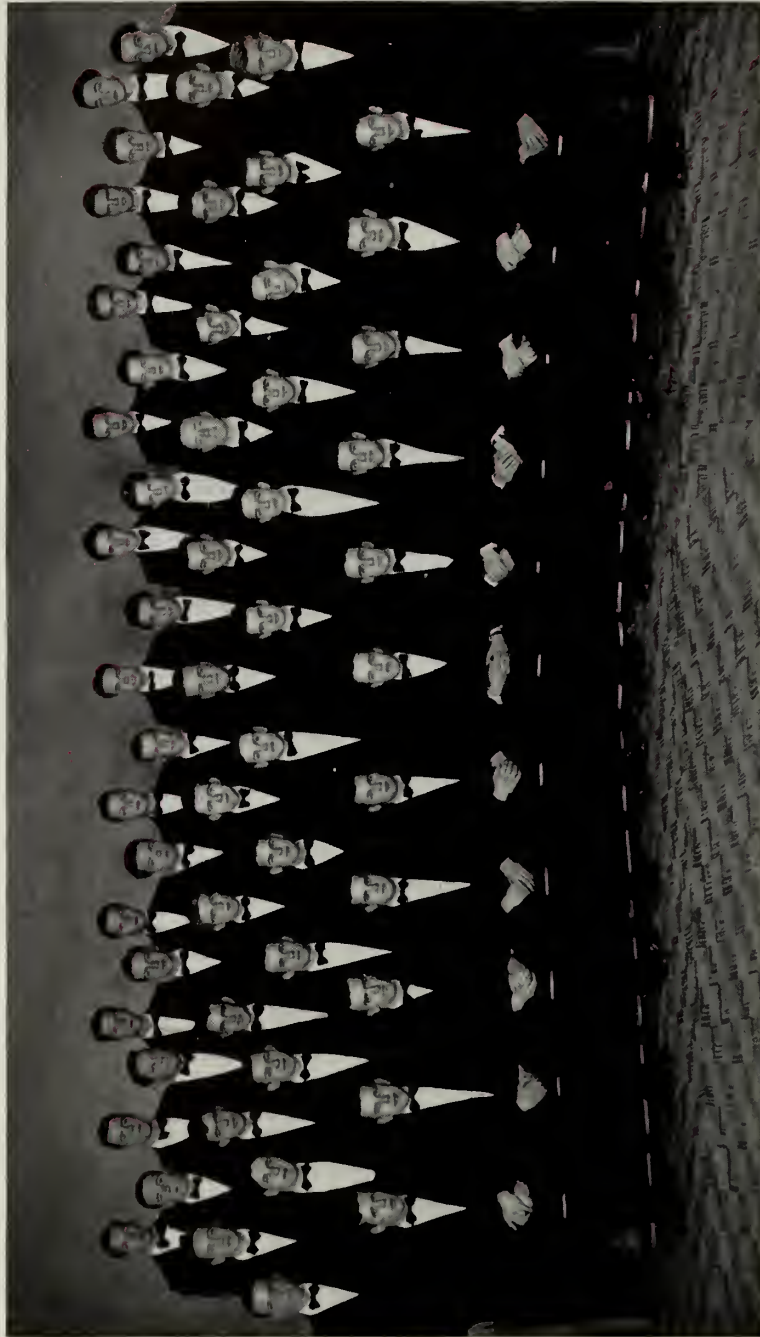

Blessed by the second consecutive snowy winter, South Byfield again echoed to the yodels and thumps of a ski team. Under the supervision of Mr. Soule, twelve boys met each afternoon on the slopes of the Olde Newbury golf-course for practice sessions. Despite the lack of a sizeable hill, considerable progress was made, with the students themselves becoming instructors on the weekends and free days for the benefit of their less steady friends.

Although the limited terrain precluded the possibility of competitive sport, the team did promote some active skiing. On January 27th and February 3rd a total of forty-seven boys went to the Belknap Mountains Recreational Area to ski on trails and more advanced slopes serviced by two tows and an aerial tramway. On February 24th and March 3rd trips were made to Locke's Hill in Amesbury. Finally just before the snow disappeared, the squad was split into two teams, representing Dartmouth and Amherst, for an impromptu slalom race. Dartmouth, sparked by Terry Pyke, won by a narrow margin.

The Glee Club

By CHARLES McLAUGHLIN

The Governor Dummer Academy Glee Club had a very busy season, with three more concerts than last year. The first two were held in the fall term, although this term is usually devoted entirely to rehearsals. The first concert, on December twelfth, was given jointly with the Infantry Concert Group, highly skilled symphony musicians, who, with the Glee Club, presented a richly varied program. The next concert, with Winsor School in Boston, was very fine in spite of the Club's few rehearsals; and the dance which followed was a marked success.

On the weekend of the fifteenth of February the Club gave two concerts, one at the Statler for the American Camping Association; and another with Buckingham School in Cambridge. Later two more joint concerts followed, one when the Club entertained Bradford Junior College, and the second when the Club journeyed to Portland to sing with the Waynflete School.

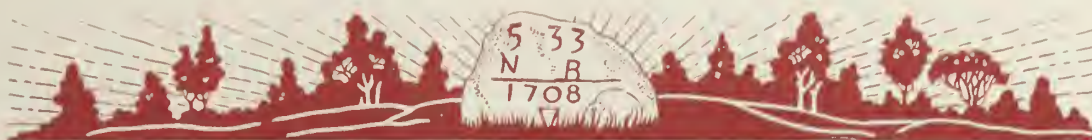

But the highlight of the season was the concert at Symphony Hall in Boston where the Club joined with fifty singers from each of the following schools: Dana Hall, Walnut Hill School, Pine Manor, Beaver Country Day School, Phillips Exeter Academy, Phillips Academy at Andover, and Milton Academy. About three-hundred voices blended with the New England Conservatory Orchestra to present: *In Windsor Forest*, a part of the opera *Sir John in Love* by Vaughan Williams; *Four Choral Settings* by Bach; and *L'Allegro* by Handel. A joint concert with Walnut Hill School at Natick, and then the annual Commencement Concert, closed the Club's very successful season.

John Kimball, elected president at the beginning of the season, proved a very capable leader through the long season; and the able solo work of Peter Sutton and the excellent singing of the Meistersingers greatly aided the Club.

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature and number of the courses on which his average is based.

This year the annual initiation banquet was held on Friday evening, May seventeenth. Delmar Leighton, Dean of Freshmen, Harvard College, was the speaker.

 Front Row: C. Stevens, Jones, A. Thompson, P. Sutton, Silver, Ortega, Morgan, Birdsall, Stay, W. Nichol*

The Rifle Club

The Rifle Club, now in its second year, continues to afford a welcome opportunity for those who enjoy target-shooting. The members have this year won many of the National Rifle Association awards, and have taken an honorable though not a leading place in the Association's annual postal match, in which some two-hundred and forty school teams participated.

Hope for a debating team at Governor Dummer Academy was this year converted into action. A team was formed from a group of upperclassmen, who were coached by Mr. Currier and Mr. Emery. The object of this year's club was to stimulate the interest of the student body; and the season's peak was reached on March 1, when six boys debated in the Philip Cobb Room. The subject of the debate was: Resolved: That upon arriving at his eighteenth birthday, every boy should have one year of compulsory military training. Mr. Currier was moderator for the evening and Mr. Gayden W. Morrill and Mr. Lisenard B. Phister, of the board of trustees, and Mr. Thomas M. Mereer of the faculty, were the judges. The following boys debated the question; Harry Lowell, George E. Duffy II, and Peter Wiles for the affirmative, while Douglas L. Miller, Robert Hadley, and Charles C. McLaughlin defended the negative. The affirmative side won.

THE RICHARD LITTLE DODGE PRIZE

Bennet Botsford Young, Jr.

Presented in memory of Richard Little Dodge of the Class of 1940, for proficiency in Mechanical Drawing.

SPECIAL PRIZES

To Joseph Lennox Hannan of Marblehead, a boy of poise and maturity, who has won the admiration and respect of the other boys and who, in the course of four years, has proved to his headmaster that a good trap drummer can also be the finest sort of school citizen.

To Frank Howard Hineckley, Jr. of Barnstable, whose Yankee forth-rightness and muscular vigor make us better understand the heroes of Cape Cod; a hard-working, determined boy, whom we all like and admire.

To Irvine Freese Williamson of Allston. A fine scholar and a finer boy, Irv combines a serious attitude toward studies with a buoyant attitude toward life in general.

To William Winsor Palmer of Bradford, who has been faithful in his studies, but outstanding in the school work program. Bill has helped promulgate two of the Four Freedoms,—Freedom from Want, by carrying food to the infirmary; and Freedom of Speech, by mimeographing the Headmaster's letters.

To Paul Withington of Brookline. Able student and versatile athlete, captain of one of our best hockey teams, Paul will be remembered as one of the leading members of his class.

To Richard Caswell Hinners of Wellesley Hills. Bass soloist, custodian of Lost and Found, special censor and lecturer to the faculty, Dick deserves mention because of his high scholastic record, because of his appreciation of music, and because he is an unusual and worthwhile boy.

To Allan Howard Teel of Reading. A one-year boy, Al made a fine art of reticence, but his actions on the athletic field and in the class room were unusually eloquent.

To Dana Robineau Kelley, of White Plains, New York. The champion fisherman of the senior class, Dana deserves special recognition because his friendly disposition and winning smile are balanced by sound scholarship and solid character.

To Bradley House Roberts of Wellesley Hills. President of the Glee Club, well-liked, hard-working, steady, reliable, Brad deserves a prize for his improvement as a scholar and his qualities of leadership.

Acknowledgments

Every year there are friends of the MILESTONE who, although not definitely connected with the staff, yet make generous contributions to the success of the book. We wish particularly to acknowledge our indebtedness to

Mrs. Jane M. Gale for help in accounting,

Mr. Leonard Wright for securing advertisements,

Mr. Harold Johnson of the Andover Press for relieving us of many worries,

The patrons of the MILESTONE dance for pecuniary support,

And our advertisers for making this book possible.
